Christian Educators' Conference

1 - 2 December 2017 | King's Park Conference Centre

I thought Christian Educators' Conference 2016 was the best CEC yet. It felt professional and family-like at the same time.

The **Christian Educators' Conference** is an excellent opportunity for school staff and home-educating parents to be encouraged, equipped and enriched.

Experienced speakers will assist you in raising the standard in your school or home school and remind you of the importance of your call as a Christian educator.

With general sessions, workshops with split sessions of your choice, and a time for questions and answers, there will be 'something for everyone' as a **variety of topics** are covered.

Meals and tea times in a relaxing sitting area also provide valuable time for **connecting** with other Christian educators and visiting the various exhibitors' tables.
